Dear Glenvale Community

Winter has well and truly arrived over the past few weeks. As many of you would be aware, there has been a lot of sickness across both of our campuses. There have been many cases of COVID and various other colds and flus circulating through classrooms and impacting our staffing. Glenvale has many vulnerable students. We ask that any students, staff and visitors who are unwell do not attend the school. Your support in keeping our school community safe is most appreciated.

Our next P&C meeting will be taking place on Thursday 27 June at 1:30pm at the Narara Campus. For those that are unable to attend, a Teams link will be provided. We would love to see more people attend the meetings. No experience is necessary, and everyone is invited.

Glenvale School is celebrating its 40th Anniversary this year. To mark the occasion there will be a number of events, activities and celebrations towards the end of term 3 including a combined campus games day, formal assembly and class activities. Please be on the lookout for these dates which will be communicated early next term.

Warm regards

Peter Kerr

Principal

Voluntary School Contributions

Voluntary Contribution

Every public school asks for a small contribution towards the many costs associated with education programs.

At Glenvale, we ask that parents contribute \$35 per child each year. This has not changed for many years and is very small in comparison to other schools, even though our costs can be much higher.

Please consider sending in the \$35 as soon as you are able to do so; a payment can be made via School Bytes or cash.

Many thanks to those who have already done so.

All donations to the school over \$2 are tax deductible as Glenvale is registered with the Australian Tax Office as a deductible gift.

About Reeves Street Respite

Respite or Short Term Accommodation Assistance is a short term support for carers of a child or young person with disability, giving carers an opportunity take a break or tend to everyday activities.

Reeves Street Respite, located in Narara, provides a range of services to meet your child's needs. A key worker will assist you in completing all paper work and will liaise with you. Your child's comfort and safety is our priority. Before an overnight stay, we recommend an initial short visit for your child to familiarise themselves with their new surroundings. As well as overnight stays, we welcome day stays.

Reeves Street Respite caters for children and young people from 7 to 18 years of age. Our centre offers 24/7 staffing services providing care to a maximum of five clients at a time overnight. Respite rates will be charged as per the NDIS price guide. We are happy to give you a guided tour of the facility when it is convenient for you.

Trilogy Disability Services is a locally based NDIS Disability care provider, that offers youth disability respite care and support to individuals with complex care needs.

Trilogy provides a nurturing and safe environment to children with high medical needs and understands the challenges families and individuals face with disability care. We have houses open for respite stays all year round and work with families to ensure their child's needs are met.

Staff are trained in managing complex care needs for mobile or wheelchair dependent clients such as personal care, PEG feeding, epilepsy, manual handling/hoisting. Supervision of clients and staff is provided by a Registered Nurse.

About Us

Welcome to Tranquility Support Services, where we are dedicated to providing quality and affordable respite care for individuals with disabilities. At Tranquility, we believe that everyone deserves a supportive and nurturing environment, and our Disability Respite Services are tailored to meet the unique needs of each individual.
